Shivam Rajesh Pandey

AI ENGINEER

shivamrajeshpandey9136@gmail.com · Kandivali, Mumbai · github.com/Shivam7977 · LinkedIn

PROFILE

Final-year AI/ML engineering student passionate about Python, Machine Learning, and full-stack web development. Experienced building APIs, integrating databases like MongoDB, and designing clean frontends. I enjoy tackling real-world problems through code — analyzing data, modeling fraud networks, or building MVP products end to end.

SKILLS

Python · Machine Learning · XGBoost · Flask · MongoDB · Pandas / NumPy · HTML & CSS · JavaScript · Git & GitHub

CERTIFICATIONS

Python for Data Science — **NPTEL (IIT Madras), Elite Certification** **Jul–Aug 2025**

Masters in Python — **Coursera**

Prime: AI/ML Job Preparation — **Apna College** **IN PROGRESS**

PROJECTS

Fund Flow — Fraud Detection System

Fraud-detection system mapped onto India's payment rails (UPI, NEFT, RTGS, IMPS, NACH), built on the PaySim dataset (6.36M transactions). XGBoost + Isolation Forest ensemble with AUC-weighted blending (XGBoost AUC: 0.9998, Isolation Forest AUC: 0.9105); NetworkX graph analytics to surface fan-out, round-trip and layering patterns; F1-maximized threshold selection on the precision-recall curve.

Python · XGBoost · Isolation Forest · NetworkX · Pandas · HTML/CSS (Tailwind) · JavaScript

SkillBridge — AI-Powered Career Platform

AI-powered career platform that generates a personalized roadmap from a user's skills and goals, then builds their portfolio and resume as they progress. Features an AI Mock Interview Room (Mistral AI, adaptive difficulty, XP rewards), project recommendations, and a community collaboration hub.

HTML · CSS · JavaScript · Python · Flask · MongoDB · Mistral AI

EDUCATION

B.E. — Computer Science (AI/ML) · VIVA Institute of Technology — 8.65 CGPA · 2023–2027

12th — HSC (PCM) · T.P Bhatia — 61% · 2022–2023

10th — SSC · Samata Vidya Mandir — 73% · 2020–2021

ACHIEVEMENTS

Selected at college-level round, Smart India Hackathon (SIH) · Participant, Aarohan 1.0 Hackathon (Team Pi, CSI-RAIT)
